

Lincolnshire Small-Bore Rifle Association

Lightweight Sport Rifle Individual League entry form Summer 2020

Entries are invited for the LSRA Sport Rifle individual league.
The competition is open to all members of LSRA affiliated clubs.

Conditions

1. NSRA rules will apply unless otherwise stated.
2. **Firing position:** Standing, from the shoulder, unsupported.
3. To be shot on PL14 or PL14/06 targets at **20yds** or PL19 at **25m**.
4. All rifles must comply with the “**Lincolnshire Specification**” and conform to the “**Any Sights**” rule. *Full specification is on attached sheet.*
5. All cards for a particular round must be shot on the same day.
6. This competition is Local Scored. Please make sure your club has access to NSRA registered scorers.
7. The organisers reserve the right to re-classify any shooter if required.

Averages Please note!

Any one competing in the current competition does not need to supply an average, it will be calculated for you from the latest available scores.

Only new entrants have to supply an average from certified, witnessed & retained trial cards (best 10 of 12 ex 200 to 1 decimal place) or other competition (please state).

The size of divisions will depend on number of entries. To facilitate accurate scoring some divisions may be asked to shoot 5 shots per card.

Club _____ Entry Fee per competitor :- £5.00

LINCOLNSHIRE SPECIFICATION

FOR LIGHTWEIGHT SPORT RIFLE

Rifles must meet the following specification:-

Bolt action, Semi auto or Underlever rifles in .22 Rim Fire.

Air rifles in .177 OR .22 calibre. .177 to use Wadcutter (flat head pellets), .22 may use Wadcutter or Round Nose.

FAC Air Rifles MAX Calibre .22 May be used if range construction allows.

.22WMR (Winchester Rimfire Magnum) may be used if range construction allows.

Magazines:-

Where fitted Max. Capacity 10 rounds (tube type magazines allowed but only 10 Rds. to be loaded)

Detachable magazines Max capacity 10 Rds.

Butt Plate:-

A basic vertically adjustable butt plate will be allowed.

Multi adjustable butt plates are NOT allowed.

Butt Hooks are prohibited.

Palm Rest:-

Palm Rests of any type are NOT allowed.

Sights :-

Open. "V" notch back sight, post foresight.

Metallic. "Open" or simple diopter rear, post or ring foresight.

Any Sights "Open", "Metallic", Red Dot or Scope.

Laser sights strictly prohibited

Maximum weight :-

4.5kg (including sights and glove if used)

Trigger weight :-

Minimum of 500 grammes

The use of a sling or any other specialised accessory is prohibited.

A Shooting Glove may be used, but No Specialised shooting clothing to be worn, i.e. no shooting jackets, shooting trousers, or boots etc.

Definition of the Standing Position:-

The shooter must stand free with both feet on the firing point surface without any other support. The rifle must be held with both hands and the shoulder, the cheek and the part of the chest next to the right shoulder. However the jacket or chest beyond the area of the right shoulder and right chest must not support the rifle. The upper arm and elbow may be supported on the chest or hip. (NB Where the rule refers to right-handed shooters, the reverse of the rule applies to left-handed shooters)
